

Supporting Adult Information

Your role with the young peoples application is to support them with writing their bid, to advise them whether their idea is realistic, how much it is likely to cost and help them get quotes, etc

To help the young people make their decision it is useful for them to know the circumstances of the group members. Do you consider any members of the group to be disadvantaged? If so please explain why? If so please explain how in the box below and enclose this page with the completed application form. Alternatively, please write a covering letter outlining how you feel the group meets this criteria.

All voluntary organisations will be required to send us copies of the following policies and procedures before any money is released.

- Criminal Record Bureau Checks (on all staff both paid and voluntary)
- Equal Opportunities Policy
- Health & Safety Policy
- Insurance Public Liability and Employers Liability
- Complaints Procedure
- Child Protection Procedure

Help is available should you not have these in place and in some instances the cost could be incorporated into the amount applied for.

Funding for young people from young people
