Dear Forum Member

Meeting of the County Admission Forum, Monday 12 March, 6.30pm

Please find enclosed the agenda and papers for the above meeting.

In order to prepare further for co-ordination beyond 1 March, as required by the new Code of Practice, letters have been sent to all VA and Foundation schools.

Alison Delyth and I plan to meet with the Forum's school representatives between 5.15pm and 6.15pm on Monday evening (12 March) in order to explore issues relating to the extension of co-ordination for secondary transfer.

I look forward to seeing you on 12 March 2007.

Yours sincerely

**Sarah Vize
Secretary to County Admission Forum**
