

Consultation on the Draft Parent Support and Information Strategy

January 2008

We want to hear your views.

Please photocopy this flyer and circulate as you wish.

The Draft Parent Support and Information Strategy

has been prepared by the *Parent Support and Information Strategy steering group*. We are inviting input from all those with an interest in parent support and information and hope that we will receive a wide range of feedback and suggestions, to ensure the Strategy is of the highest possible quality and clarity.

“Parents and carers in Hertfordshire will receive the information, services and support they need to help them care for their children and equip them with the skills they need to ensure that their children are healthy, safe and have the best opportunities in life.”

The purpose of this consultation is: _____

- a) to inform and raise awareness of the Strategy among all those with an interest in parent support and information across Hertfordshire
- b) to invite feedback on the content of the Strategy, including the vision, principles, priorities and recommendations
- c) to invite feedback on the design, layout and style of the Strategy
- d) to invite suggestions for how the Strategy might be improved.

We want to hear your views.
