HERTFORDSHIRE COUNTY COUNCIL

CHILDREN SCHOOLS AND FAMILIES

**SIXTH FORM ADMISSION ARRANGEMENTS FOR COMMUNITY AND
VOLUNTARY CONTROLLED SCHOOLS**

Consultation Document
On

Admission rules for community and voluntary controlled co-educational and single sex schools for the school year 2005-2006 (except Tring).

Admissions rules for Tring voluntary controlled co-educational school for the school year 2005-2006.

January 2004

1. Sixth Form Arrangements

- 1.1 Arrangements for admission to the Sixth Forms of community and voluntary controlled schools have traditionally been administered by the individual schools themselves. The revised Admissions Code of Practice introduced a requirement for an appeals system and the determination of an admission number for each Sixth Form.
- 1.2 The admission number for Sixth Forms will only be applied to students who have not previously attended the school's Year 11. For example if a school has a Sixth Form admission number of 150 and has 162 applicants from Year 11 who meet its admission criteria all should be offered places. If there are 127 eligible applicants from within the school, then there will be 23 places available for students from other schools. The admission number only applies to admission to the Sixth Form and would not guarantee access to any particular course.
- 1.3 It is proposed at this stage to consult on the basis of an admission number determined by the school. Should this number not be reached from pupils in the school's Year 11 cohort, then further pupils up to this number who meet the admission criteria will be eligible to join the school from elsewhere.
- 1.4 A summary of the current criteria, initially adopted on an interim basis in April 2003, or subsequently amended for admission to the sixth form for Hertfordshire secondary schools is set out in the attached schedule.

*(On the Schedule * indicates arrangement for 2003-04. When proposed arrangements for 2004-05 are available, they will be published on the Councils Website.)*
