Dear Mr Dalton,

Thank you for attending our meeting last night. As you already know the Governing Body had a follow up meeting to enable us to fully consider the situation.

After a long discussion and carefully considering the points you raised the Governing Body unanimously decided the following resolution:

"Whilst recognising the need for change in the Stevenage south area, the Governors are opposed to the proposals outlined in Hertfordshire County Council's Consultation Document. The Governors believe that any proposals must include the provision of a new, purpose built school to meet the standards and vision for the 21st century."

The governing body will reconsider this issue once the consultation period has closed.
