⁽¹⁾ Watford Grammar School for Boys Homework club is for transition pupils from primary feeder schools and was funded by NOF

⁽²⁾ Hockerill Anglo-European College offer free after school language classes in French, German, Spanish, Italian and Japanese for pupils aged 10 and 11 from any local primary schools.

This information is extracted from the database of the Annual Mapping of OSHL provision within Hertfordshire Schools, as at November 2003. This data was returned by the schools and is based on their previous academic year 2002/03. Its accuracy is dependent upon their returns. However we have recognised that this system does not give us as accurate and up to date a picture as we would want, therefore we plan to delay this year's annual mapping until the beginning of the second term (i.e. January/February 2005) so that we gather a more relevant picture of provision relating to the current academic year.
