#### **1. Purpose of report**

- 1.1 This report suggests a mechanism for making appointments to Joint Health Scrutiny Committees.

#### **2. Summary**

- 2.1 There is currently no process in place for the appointment of Hertfordshire County Council Members to joint health scrutiny committees, which may be established to consider issues and consultation processes which cross County boundaries.
- 2.2 It is envisaged that a number of joint committee's of this nature will be required in the future and therefore a mechanism needs to be in place to deal with appointments to these.
- 2.2 It is proposed that these appointments be made, as and when required, by the Chairman and Vice-Chairman of the Adult Care and Health Scrutiny Committee.

#### **3. Conclusion**

- 3.1 That, appointments of Hertfordshire County Council Members to joint health scrutiny committees, set up between County's, be made jointly by the Chairman and Vice-Chairman of the Adult Care and Health Scrutiny Committee.

#### **4. Financial Implications**

- 4.1 This report has no financial implications.
