'The March 2003 cycle of Scrutiny Committees should receive update reports with brief details of every item considered by the Committee in question to enable the Committees to decide whether:

- 1. The item was finished; or,*
- 2. The item should be included in a work programme for future attention; or,*
- 3. The item should be the subject of regular updates.'*

The spreadsheet attached gives brief details of progress on all scrutiny items chosen by the Committee.
