Executive member: Alan Searing

Report Author: Claire Kaye Tel: 01992 555300

1 Purpose of Report

Select Committees need to set up Best Value Review Panels for the best value reviews planned for 2001/02 which fall within their remit. For this committee these are:

Communications *
Reprographics *
Fire Service Procurement

* These reviews will run consecutively and, as the issues are closely related, they will have the same member panel.

2 Conclusion

The select committee are asked to determine the size of the panel and nominate appropriate members for early reviews.
