Dear Sir,

The Hertfordshire (Summerhouse Lane, Patchetts Green, Aldenham)(Experimental Prohibition of Turns) Order 2001.

have today received your letter and enclosures concerning the above order.

It has been pointed out to Mr Jarrett, who is the project engineer for Hertsmere Highways; this order is unlikely to receive Police enforcement. The turning bans are in force between 0700 hrs and 0930 hrs, which is a period of time when Police resources are stretched. Alternative solutions have been suggested.

As this is an experimental order Police are offering no formal objections. However, if a full order is considered, after evaluation, it is likely a formal objection will be lodged.

Yours faithfully,

Inspector C Drury
Road Policing Department
Traffic Management Unit
