A minus figure indicates that a district has a greater amount of Total Baseline Capacity than is required to meet their requirement. This means no additional greenfield development is required.  
A range of Areas of Special Restraint (ASRs) have been excluded from the Greenfield Allocations figures.

A minus figure indicates that a district has a greater amount of Total Baseline Capacity than is required to meet their requirement. This means no additional greenfield development is required.  
A range of Areas of Special Restraint (ASRs) have been excluded from the Greenfield Allocations figures.
